

2nd G-EVER International Symposium and the 1st IUGS&SCJ International Workshop on Natural Hazards

Hazard and Risk Management in Asia-Pacific Region: Earthquake, Tsunami, Volcanic Eruption and Landslide in Subduction Zones

Oct. 19-20, 2013

6F, Sendai City Information & Industrial Plaza, Sendai, Japan

Organizers: *G-EVER Consortium, Geological Survey of Japan, AIST, The International Union of Geological Sciences (IUGS), and Science Council of Japan (SCJ)*

Co-Organizers: *The Geological Society of Japan and Coordinating Committee for Geoscience Programmes in East and Southeast Asia (CCOP)*

Supported by: *Tohoku University, Disaster Prevention Research Institute (DPRI), GNS Science, Philippine Institute of Volcanology & Seismology (PHIVOLCS), National Research Institute for Earth Science and Disaster Prevention (NIED), The Seismological Society of Japan, The Volcanological Society of Japan, Japan Association for Quaternary Research, Japanese Society for Active Fault Studies, Japan Society of Engineering Geology, and Tokyo Geographical Society, etc*

Program contents:

Oct. 19 (Sat) 9:30-18:35

Session 1: Scientific challenges for risk reduction of natural disasters: Overview

Session 2: Volcanic eruption, landslides and seismic hazards

Oct. 20 (Sun) 9:00-18:30

Session 3: Hazard assessment, 2011 Tohoku-oki earthquake and subduction tectonics

Session 4: 2011 Tohoku-oki earthquake and tsunamis

General Discussion

Invited Speakers:

Ian Lambert (IUGS), Akira Ishiwatari (Tohoku Univ.), Kuniyoshi Takeuchi (ICHARM), John Eichelberger (Alaska Univ.), Chris Newhall (EOS), Shinji Takarada (GSJ), Setsuya Nakada (ERI), Peter Bobrowsky (Simon Fraser Univ.), Kiichiro Kawamura (Yamaguchi Univ.), Masahiro Chigira (Kyoto Univ.), Cheng-Horng Lin (Academia Sinica), Dong Shuwen (CAGS), Ruizhi Wen (CEA), Yuzo Ishikawa (GSJ), Nguyen Hong Phuong (VAST), Pilar Villamor (GNS Science), Ken Xiansheng Hao (NIED), Toru Matsuzawa (Tohoku Univ.), Yuichiro Tanioka (Hokkaido Univ.), Mark Cloos (Univ. Texas), Takuya Nishimura (Kyoto Univ.), Yasutaka Ikeda (Univ. Tokyo), Kazuhisa Goto (Tohoku Univ.), Daisuke Sugawara (Tohoku Univ.), James Goff (Univ. NSW), Masataka Ando (Shizuoka Univ.), Phil Cummins (ANU), Ronald Harris (Brigham Young Univ.) and Yildirim Dilek (Miami Univ.)
